January 19 - Dave Baker - UK Sports Update

Rotary's 4-Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

President Ron relayed that the Dictionary Project continues, all Henderson County 3rd graders have received or will receive a dictionary. George Warren and his team will be distributing dictionaries at South Heights Elementary School next Thursday, the 19th at 8:45 a.m. John Dunaway's team will be distributing dictionaries at A.B. Chandler School on Tuesday the 17th at 1:30. If you are interested in helping, just show up at the school.

Red Badgers, mark your calendars. There will be a red badge meeting on February 22nd at 6:30 p.m. at Mike Hazelwood's home.

The ½ pot climbs again this week, David Thomason missed out on \$65.

One of the goals set by our District Governor was for each member to bring in a new member this year. Next week would be a great program to bring in visitors, try to bring someone that would make a great Rotarian!

President Ron introduced Malcolm Wall, Executive Director for Kentucky Educational Television. The Kentucky Network is responsible for a complete range of educational services, and brings

to the Commonwealth public affairs and arts programming by, for and about Kentucky and Kentuckians. According to a recent Harris Poll, PBS is the most trusted source of news. Mr. Wall stated that “television becomes the fabric of our lives” and KET wants to be there for the commonwealth. Some of the ways they are assisting Kentuckians include the KET EncycloMedia Program, a comprehensive Internet-based multimedia learning service offering video clips and a wealth of related standards-based resources and is free to the Kentucky Schools. KET has partnered with the Kentucky Department of Education to make this the best program possible.

KET is also introducing the KET Data Cast, a wireless digital system designed to get information out to the emergency responders and the weather forecasters in a timely manner. This system is noted to be reliable, secure and inexpensive.

If you would like more information on KET, visit their website at www.ket.org

If you have to miss a meeting, remember that you can still do makeup meetings on line at <http://www.rotaryclubone.org/> Just print it out and bring it in to Secretary Tom Lett. You can also make up meetings by attending another club. Evansville, Owensboro, Madisonville and Morganfield are close by and would welcome a visiting Rotarian. Just be sure to get a makeup card.
